When I'm feeling [E]blue, all I have to [B]do

 When you're close to [C#m]me, I can feel your [B]heartbeat
 I can hear you [A]breathing in my [B]ear
 Wouldn't you a[E]gree, baby you and [B]me got a groovy kind of [E]love

Anytime you [E]want to you can turn me [B]onto
 Anything you [E]want to, anytime at [A]all
 When I kiss your [C#m]lips, ooh I start to [B]shiver
 Can't control the [A]quivering in[B]side
 Wouldn't you [E]agree, baby you and [B]me got a groovy kind of [E]love, oh
