

A song for you
Leon Russell

Key of Dm descending bass line
Capo 3rd fret

comments refer to keys relative to capo position

subst. for F#7

Bm A#dim
I've been so many places in my life and time,
D/A E/G#
I've sung allot of songs, I've made some bad rhyme,
G D/F#
I've acted out my life in stages, with
G D/F# G
ten thousand people watching, but we're
A G D
alone now, and I'm singing this song for you.

I know your image of me is what I hope to be, I treated you
unkindly, but darling can't you see, there's no one more
important to me, baby can't you please see through me,
cause we're alone now and I'm singing this song for you.

You taught me precious [secrets of the truth with holding
nothing, you came out in front when I was hiding,]but now
I'm so much better, and if my words don't come
together, listen to the melody, cause my love is in there
hiding.

I love you in a place where there's no space or time, I
love you for my life, you are a friend of mine, and when my
life is over, remember when we were together, we were alone
and I was singing this song for you.

We were alone and I was singing this song for you.
