D C G A D
Carefree highway, let me slip away on you
C G A

Carefree highway, you seen better days

Bm A G Esus4 E

The mornin' after blues from my head down to my shoes

D C G A D
Carefree highway, let me slip away slip away on you

Turnin' back the pages to the times I love best
I wonder if she'll ever do the same
Now the thing that I call livin' is just bein' satisfied
With knowin' I got no one left to blame

chorus

Searchin' through the fragments of my dream-shattered sleep
I wonder if the years have closed her mind
I guess it must be wanderlust or tryin' to get free
From the good old faithful feelin' we once knew

chorus

Carefree highway, got to see you my old flame...
