

Catch The Wind
Donovan

Capo 3rd fret

Key: C (with capo) E \flat (capo 3rd fret)
Chord progression: 1 - 4 - 1 - 4 - 5

In the (C)chilly hours and (Fadd9)minutes
Of un(C)certainty
(Fadd9)I wanna be
(C)In the warm hold (Fadd9)of your (G)Loving (C)mind.(G)

To (C)feel you all a(Fadd9)round me
And to (C)take your hand
(Fadd9)Along the sand,
(C)Ah but I may as well (Fadd9)try and (G)catch the (C)wind.

When sundown pales the sky
I wanna hide a while
Behind your smile,
And everywhere I'd look, your eyes I'd find.

For me to love you now
Would be the sweetest thing,
'T would make me sing,
Ah but I may as well try and catch the wind.

(F)Diddy da da la da (Em)da da da da
Ya da (Am7)da, da (D7)da, la (G)da.

When rain has hung the leaves with tears
I want you near
To kill my fears,
To help me to leave all my blues behind.

For standing in your heart
Is where I wanna be
And I long to be,
Ah but I may as well try and catch the wind.

Ah but I may as well try and catch the wind
Ah but I may as well try and catch the wind
Ah but I may as well try and catch the wind
Ah but I may as well try and catch the wind

Ah ah ah ah
Ah, but I may as well try and catch the wind
Oh, oh yeah
Ah? ah ha
Ah, but I may as well try and catch the wind
Yeah ah ah

I may as well try and catch the wind
I may as well try and catch the wind
Don't you know baby
That I may as well try and catch the wind
