Chord progression: 5 – 4 – 1 - 5

Intro:

C-A#-A-G-F

G **F C**

I can't light no more of your darkness

F **G**

All my pictures seem to fade to black and white

G **F C**

I'm growing tired and time stands still before me

F **G**

Frozen here on the ladder of my life

(same as above)

Too late to save myself from falling

I took a chance and changed your way of life

But you misread my meaning when I met you

Closed the door and left me blinded by the light

C **A#**

Don't let the sun go down on me

A **D**

Although I search myself, it's someone else I see

C **G C**

I'd just allow a fragment of your life to wander free

F **G C**

But losing everything is like the sun going down on me

C-A#-A-G-F

G **C**

I can't find all the right romantic lines

F **G**

But see me once and see the way I feel

G **C**

Don't discard me just because you think I mean you harm

F **G**

But these cuts I have they need love to help them heal

Don't let the sun go down on me

Although I search myself, it's someone else I see

I'd just allow a fragment of your life to wander free

But losing everything is like the sun going down on me

C-A#-A-A-G#-A#

Don't let the sun go down on me

Although I search myself, it's someone else I see

I'd just allow a fragment of your life to wander free

But losing everything is like the sun going down on me
