

Love makes me do foolish things
Martha Reeves & The Vandellas
Brian Holland-Lamont Dozier-Edward Holland, Jr.

Key of C

C Am F G
Love, love, love makes me do foolish things
C Am F G
Sitting alone by the phone, a phone that never rings
C Am F G
Hoping to hear you say you love me still
C G
Knowing you never will.

Love, love, love has made a fool of me
Got me doing things, things that shouldn't be
Listening for the sound of your knock on my door
Knowing that sweet sound would be no more.

Am G
Funny how precious memories linger on
F G C C7
So long after you're gone
Am G
Oooh, precious memories that all makes me cry
D7 G
But I keep holding on, oh why why....?

All because love, love, love has made a fool of me
Speak your name softly each night
While holding your picture tight
When you took my heart, you took my soul
And it's far beyond control.

Funny how precious memories linger on
So long, long after you're gone
Oh, precious memories that all makes me cry
But I keep holding on, oh why should I?

All because love, love, love makes me do these things
Love, love, love, love has made a fool of me
Love, love, love makes me do foolish things.
