

# Make You Feel My Love

Bob Dylan

## Key of D

D A/C#  
When the rain is blowin' in your face  
Am/C G  
And the whole world is on your case  
Gm/E D Bm(opt.)  
I could offer you a warm embrace  
G A D  
To make you feel my love.

When the evening shadows and the stars appear  
And there is no one there to dry your tears  
I could hold you for a million years  
To make you feel my love.

G D  
I know you haven't made your mind up yet  
F# G D  
But I would never do you wrong  
G D Bm  
I've known it from the moment that we met  
G A  
No doubt in my mind where you belong.

I'd go hungry, I'd go black and blue  
I'd go crawlin' down the avenue  
No, there's nothin' that I wouldn't do  
To make you feel my love.

Though storms are raging on the rollin' sea  
And on the highway of regrets  
Though winds of change are throwing wild and free  
You ain't seen nothin' like me yet.

I could make you happy, make your dreams come true  
Nothing that I wouldn't do  
Go to the ends of the Earth for you  
To make you feel my love.
