

Run to me
Bee Gees

Key of A

A E
If ever you got rain in your heart,
F#m D
someone has hurt you, and torn you apart,
E A
am I unwise to open up your eyes to love me?

A E
And let it be like they said it would be -
F#m D
me loving you girl, and you loving me.
E A
Am I unwise to open up your eyes to love me?

A C#m
Run to me whenever you're lonely
D Dm
Run to me if you need a shoulder
A F# Bm
Now and then, you need someone older,
Dm E A
so darling, you run to me.

A E
And when you're out in the cold,
F#m D
no one beside you, and no one to hold,
E A
am I unwise to open up your eyes to love me?

A E
And when you've got nothing to lose,
F#m D
nothing to pay for, nothing to choose,
E A
am I unwise to open up your eyes to love me

A C#m
Run to me whenever you're lonely
D Dm
Run to me if you need a shoulder
A F# Bm
Now and then, you need someone older,
Dm E A
so darling, you run to me.
