G...Em G Em

We have all the time in the world, time enough for life to unfold

All the precious things love has in store.

We have all the love in the world. If that's all we have, you will find we need nothing more.

Every step of the way will find us with the cares of the world far behind us.

We have all the time in the world, just for love, nothing more, nothing less, only love.
